

PETITION FOR RECALL

To Cathy Darling Allen: Pursuant to the California Constitution and California election laws, we the undersigned, registered, and qualified electors of the District 1, County of Shasta, State of California respectfully state that we seek the recall and removal of Joe Chimenti holding the office of Supervisor in District 1 in Shasta County, California. We demand an election of a successor to that office. The following Notice of Intention to circulate a recall petition was served on April 30, 2021 to Joe Chimenti.

TO: Joe Chimenti Pursuant to provisions of the California Elections Code, the undersigned, registered qualified voters of the District 1, County of Shasta, State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Supervisor in the district one, County of Shasta, State of California, and to demand an election of a successor for that office.

The grounds for the proposed recall are as follows: Removing Joe Chimenti is a course correction for Shasta County. 1) He has betrayed public trust. He didn't defend our county from state government overreach. He bowed to Governor Newsom, a lawless politician, for county funding. He capitulated to the state, failing to fulfill his oath to secure our right to choose safety for ourselves. As Chair, he voted against terminating our local emergency order, causing long term detriment to our businesses and children. 2) Need for fundamental change. He has been irresponsible with taxpayer money, approving its use for bloated, inefficient county programs and accepting CARES funding which has indebted our county to new programs and positions unsustainable by taxpayers. He did not support a motion that would have given 50% to local businesses. 3) This is a last resort. With Chimenti as Chair, we cannot afford to wait until 2022 to elect new representation. This recall is an exposé of Chimenti's disregard for the Constitution, and his inability to act on behalf of community leaders, parents, doctors, nurses, teachers, and experts that petitioned for local control. We must return to reasonable, representative, and accountable local government for ourselves and our future generations. The printed names of the proponents are as follows: 1. Tim G Saunders 2. Melissa R Magana 3. Ricky J. Chavez II 4. Carlos C. Magana 5. Penny Garland

6. Lora L. Staneart 7. Gary L. Staneart 8. Susannah L. Crews 9. Jonna M Elkins 10. Deloris Barclay

Supervisor Joe Chimenti's answer: The Governor has the statutory authority to declare a Statewide "State of Emergency." Under that "State of Emergency," the Governor can enact directives that carry the force and effect of law. These directives remain in effect until he rescinds them, legislation is passed that rescinds them, or the Courts rule (which includes the appellate process) that they are unconstitutional or unlawful. Whether I agree with the Governor or not, I have a legal and moral responsibility to respect the law. Throughout this unprecedented crisis, we continued to promote enforcement through education. We encourage all businesses and all citizens to exercise best safety practices We cannot remove our County from the State Tier System. This Board cannot protect a local business from prosecution by a State agency like Alcohol Beverage Control or CalOSHA. Our Strategic Goals 1. Build a state of the art Correctional & Rehabilitative Center 2. Promote local business revitalization and expansion 3. Increase police presence 4. Address the addiction problem ravaging our community 5. Assist the "at risk" population And these are NOT all the pressing issues facing our County (like wildfire mitigation and removal of illegal marijuana grows). We have a lot of work to do! /s/ Joe Chimenti

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of District 1 of County of Shasta, California.
