

PETITION FOR RECALL

To Cathy Darling Allen: Pursuant to the California Constitution and California election laws, we the undersigned, registered, and qualified electors of the District 2, County of Shasta, State of California respectfully state that we seek the recall and removal of Leonard Moty holding the office of Supervisor in District 2 in Shasta County, California. We demand an election of a successor to that office. The following Notice of Intention to circulate a recall petition was served on April 30, 2021 to Leonard Moty.

TO: Leonard Moty Pursuant to provisions of the California Elections Code, the undersigned, registered qualified voters of the District 2, County of Shasta, State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Supervisor in the district two, County of Shasta, State of California, and to demand an election of a successor for that office.

The grounds for the proposed recall are as follows: Removing Leonard Moty is a course correction for Shasta County. 1) He has betrayed public trust. He didn't defend our county from State government overreach. He bowed to Governor Newsom, a lawless politician, for county funding. He capitulated to the State, refusing to terminate our local state of emergency, failing to give us local control. He failed to fulfill his oath to secure our right to choose safety for ourselves. 2) Need for fundamental change. For over twelve years in the same position, he's demonstrated irresponsibility with taxpayer money, directing it to be used in continually bloated, inefficient county programs. He approved Health Officer, Dr. Karen Ramstrom for a total compensation of \$279,000 and did not hold her accountable for failure to tailor health guidance to fit our unique county needs. 3) This is a last resort. We cannot afford to wait until 2024 to elect new representation. This recall is an exposé of Moty's disregard for the Constitution, and his unashamed hostility toward community leaders, parents, doctors, nurses, teachers, and experts petitioning for local control. We must return to reasonable, representative, and accountable local government for ourselves and our future generations.

Supervisor Leonard Moty's answer: I was born and raised here, worked 31 years in local law enforcement, and have proudly continued to serve Shasta County citizens for the past 12 years. I have always considered public safety our #1 issue, followed by fiscal responsibility. I have taken an oath to uphold both the Constitution of the U.S. and State of California. The County is a subdivision of the state, thus is legally obligated to abide by the Governor-declared "State of Emergency", even if I didn't fully agree with his "one size fits all approach." Approximately 85% of our budget is controlled by the state, for programs/services that benefit all community members. During these challenging times, the Board and staff have worked diligently to ensure critical services remained in place, while working to protect the health and safety of over 180,000 county residents. My role is to serve and protect all citizens, and our financial future. We are moving forward here in Shasta County; our priorities remain: 1. Safeguarding Public Safety 2. Promoting local business and industry expansion 3. Addressing homelessness, mental health issues, and drug addiction I will never stop serving my hometown, doing what's right for our community and our County's future! /s/ Leonard Moty

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of District 2 of County of Shasta, California.
